

HDMI 2.0 and 2.1 4K and 8K Premium Certified Cables

EvertzAV is a division within Evertz Microsystems exclusively focused on offering the most complete end-to-end AV distribution and visualization solutions for the professional AV industry.

Designed to Compliment EvertzAV's Growing Range of 4K and 8K Products

Introducing EvertzAV's series of 4K/60 (18 Gbps) and 8K/60 (48Gbps) TAA-certified HDMI 2.0 and 2.1 cables. EvertzAV's premium certified HDMI cables are carefully engineered and tested to work at the highest resolutions and bandwidth available on HDMI. The 1.5 and 3 meter cables come fully certified to work with resolutions of up to 7680@4320p @ 60 Hz (4:4:4 color sampling), while the 5 meter cable supports up to 4096x2160p @ 60 Hz (4:4:4 color sampling).

Premium HDMI Cable Certification

EvertzAV's HDMI cables are certified under the Premium HDMI Cable Certification Program. The Premium HDMI Cable Certification Program is a program that encompasses additional and enhanced cable testing as well as a comprehensive anti-counterfeiting label program. The program is designed to give consumers peace-of-mind when purchasing new HDMI cables for their 4K/8K product.
